Destiny Quest App Instructions

Smartphone in hand, link to the App store and search for **_Destiny Quest_**.

Install the free Follett Destiny Quest download. Choose basic, not advanced.

At the URL prompt type in: http://destiny.srvusd.net

Find Tassajara Hills School on the list. If you've older students at middle or high school they can use this process with their own smartphone to link to their own school libraries.

Only 1 user per smartphone!

Choose Tassajara Hills.

The _user_ is your students _6 digit ID number_ found on the ID cards provided by Lifetouch. The number can also be found on their old library cards or lunch cards.

The _password_ is your students birthdate in this **exact** format: mm/dd/yyyy

Once entered you can start the search of our TH library materials available along with WebPath Express, the   child safe subscription Internet Website portal. This service will help you and your family identify appropriate and safe websites suitable for our students interests and curricular needs.

Enter a query into the search box (ex: dogs), touch go to see the list of books available. Choose one to see the cover, title, author, location. The additional info button will provide reading levels & other publication information.

You can use Destiny Quest on your smartphone anywhere and anytime. Especially useful in bookstores if you'd rather not purchase, but borrow instead....

Enjoy and don't hesitate to contact me with any questions.
